## **DREAD ZASTA – DREADLOCK REMOVAL CREAM**

**– Removes any Dread, No Cutting or Shaving!**

### **What does it do?**

Dread Zasta is an un-relenting force of nature, naturally removing fully mature dreadlocks of any age. In short you can get to keep your hair, no shaving or cutting necessary.

### **Benefits**

Infact with the help of Dread-Zasta you can comb your dreads out and enjoy surprisingly healthy hair the same day! Dread-Zasta is a way over-concentrated mixture of conditioners available. It's the quickest way to restore the hair to manageable condition and leave you the option of dreading it up again.
